SOME SOURCES FOR TRADITIONAL TALES OF STRONG WOMEN

Compiled by Karen Culver

Note: Folktales have many stories with wise women characters (these are not “revisionist” versions of tales). Here are some collections with numerous tales to choose from in each title. You will also find many other tales in various collections and in picture book format that feature strong/wise/brave/clever/etc. females.

Harley, Bill.  *Folktales of Strong Women.* Audiobook.
