Tuesday, August 27, 5 - 8 pm

Spellbinders® is a national organization dedicated to restoring the art of oral storytelling, bringing together young and old to create connections, advance literacy and enrich the lives of children and volunteers alike.

To become a Spellbinder in the Steamboat Springs Chapter, interested volunteers must attend this three-day Spellbinders Workshop Series, led by certified storyteller, Sherry Holland.

Trained Spellbinder volunteers will have the opportunity to adopt a local elementary classroom to visit once a month (for a minimum of six visits) over the course of the school year.

Teachers are welcome to attend for use in their own classrooms.

Training cost: \$40, includes name badge, background check & snacks.
